## C. BRIEF NOTE ON THE DISTRICT

### *Message*

*Etawah district is located in the south-western part of Uttarpradesh. After delimitation, Etawah district has two Lok Sabha constituencies ( partial ) and 3 Legislative Assembly Constituencies. The district is politically sensitive. But elections have been peaceful since the use of central para military forces. There are no major law & order issues.*

*A lot of efforts have gone into improving the health of the electoral roll over the last six months. 20000 new electors, of which majority are young, will be exercising their franchise for the first time. We are to improve the gender ratio as well as the E.P. ratio for the health of electoral roll. The photo roll coverage in the district is 100%. The district administration is trying its best to enforce Model Code of Conduct by deploying teams in every constituency. The district administration has also geared itself to monitor the expenditures of the candidates and political parties by putting in place requisite monitoring mechanisms as per the revised instructions of the Election Commission of India.*

*The big challenge before the district election team is to make those 38 to 40% of electors who have not been participating in the festival of democracy, to exercise their franchise. We are hopeful that the SVEEP campaign would lead to greater participation of electors.*
